

To The Top by Mastering the Rockefeller Habits Reaching New Heights of Profit, Productivity, and Passion

What is the formula for reaching new heights in business performance? Using principles she teaches, Colorado entrepreneur Theresa Szczurek built a technology company and sold it for over \$40 million in a brief six year span! As a consultant and Gazelles® business coach, Szczurek now helps organizations, teams, and individuals produce extraordinary results by igniting their passion, aligning it with a meaningful purpose, and executing on a step-by-step plan to effectively pursue intentions. Combining the success formula in her Amazon-bestselling book, *Pursuit of Passionate Purpose* with wisdom from *Mastering the Rockefeller Habits* and other thought leaders, one client, for example, achieved 2,800% revenue growth in five years. If you would like to do even half that, get in on this highly practical session and immediately apply these tools to your business advantage!

You will learn:

- Success strategies which help you grow and improve your business
- About passion – where it comes from, why it is important, and how to lead in a way that builds a passionate, more productive workforce
- At least three ways to apply these insights to your business and to your life

WHEN: Weds. June 17, 2009 from 7-8 pm via an interactive webinar with stories, exercises, explanation of framework, and question/answer time.
